

Historic Lincoln has not only beautiful buildings, a Castle and a glorious Cathedral but, listed on this guide, are some of the best Independently run and owned shops and businesses that you will find in the City.

From the wonder of the Tropical Conservatory at the Lawn to the 'leg aching' walk up Steep Hill, you will come across some truly unique shops as you stroll through Lincoln's cobbled streets. Take time to wander around the Bailgate area, down Steep Hill and the Strait to some fabulous shops at the top end of the High Street to High Bridge and the Waterside area.

This guide has been compiled and funded by the enthusiastic independent retailers listed.
